Authorized Capital 2020 based on an authorization to sell own shares pursuant or according to section 71 (1) no. 8 sentence 5, section 186 (3) sentence 4 of the German Stock Corporation Act. Furthermore, said restriction applies also to the proportional amount of the share capital that is apportionable to shares, which may or must be issued in order to service bonds carrying a conversion and/or option right or a conversion and/or option obligation, to the extent that the bonds are issued during the term of the Authorized Capital 2020 under exclusion of the shareholders' subscription right in corresponding application of section 186 (3) sentence 4 of the German Stock Corporation Act.

- e. limited to the issuance of up to 1,426,586 new registered shares against cash contribution, if this is necessary to issue shares to the Company's employees or its affiliated companies in terms of section 15 of the German Stock Corporation Act. The new shares may also be issued to an appropriate credit institution that will take on such shares with the undertaking to pass them on only to the Company's employees or to companies affiliated with the Company in terms of section 15 of the German Stock Corporation Act.

The sum of shares that are issued based on the Authorized Capital 2020 under exclusion of the shareholders' subscription right, must not exceed a calculated amount of 10% of the share capital either at the time of said authorization taking effect or at the time of said authorization being utilized, taking into account other shares of the Company that are sold or issued under exclusion of the subscription right during the term of the Authorized Capital 2020 or that are to be issued based on bonds that were issued after 19 August 2020. It does not, however, apply to shares that are to be issued based on the convertible bonds issued by the Company in September 2017 and June 2020. The reserve member's term of office shall expire at the latest upon expiry of the term of office of the member who has left the Supervisory Board.
- 9.5 The appointment of the successor of a Supervisory Board member who has left his/her office prior to the expiry of his/her term shall be made for the remainder of the term of the member who has left, unless the General Meeting decides on a different term of office in the context of § 9.3

A notice to one member of the Management Board shall suffice. Such notice is to be given four weeks in advance, unless the office is vacated for cause which is possible with immediate effect. If the chairperson or deputy chairperson leave their office prior to the expiry of their term, a replacement shall be elected immediately for their remaining term of office by the Supervisory Board.

§ 10

- 10.1 The chairperson, or if he/she is not available the deputy chairperson, of the Supervisory Board shall call the meetings of the Supervisory Board by submitting the individual agenda items. Draft resolutions on individual agenda items shall be communicated prior to the meeting early enough to allow for written votes to be cast by Supervisory Board members not present in the meeting. The invitation may be in written form or in text form. The notice period for the calling of meetings shall be two weeks. When calculating the notice period, the day on which the invitation is sent and the day of the meeting are disregarded. In situations where the important interests of the Company are threatened, the Supervisory Board chairperson may convene the meeting without observing the aforementioned notice period. At the request of the Supervisory Board the Management Board shall be obliged to be present at meetings and shall continuously report to the Supervisory Board to the extent determined by law, the articles of association and the rules of procedure for the Management Board.
- 10.2 If an individual agenda item has not been properly announced, a resolution thereon may only be taken if none of the Supervisory Board members present objects thereto. Moreover, any member of the Supervisory Board as well as the Management Board as a whole may require the chairperson, stating the purpose and the

reasons, to call a meeting of the Supervisory Board without undue delay. The meeting shall be held within two weeks from the date on which the notice thereof has been given. If the chairperson does not call a meeting following such a request, any member of the Supervisory Board or the Management Board as a whole may call a meeting by submitting a description of the facts and an agenda.

- 10.4 The Supervisory Board shall have a quorum if all members have been invited and at least half of the members as provided for in the articles of association participate in the vote. Abstentions are deemed to be a participation. Any Supervisory Board members who are absent may participate in votes of the Supervisory Board or its committees by having other Supervisory Board members submit written votes for them. Matters shall be resolved by simple majority of the votes cast unless otherwise provided for by law or by the articles of association. An abstention shall not constitute a vote cast. In the event of a tie, the chairperson shall have the casting vote. The deputy chairperson does not have the right to cast a deciding vote.
- 10.5 Furthermore, resolutions can be adopted by submitting votes in written form or in text form to the chairperson of the Supervisory Board. Resolutions can also be voted upon by casting the votes via various permissible ways of communication and by votes being cast in part during the meeting and in part via other permissible ways of communication – also retroactively – by absent members. In each of these cases, it is necessary that either all members participate in the voting or the chairperson of the Supervisory Board orders such method of resolution and at least half of the members of which the Supervisory Board has to consist participate in the voting. In any case, the chairperson of the Supervisory Board may set an appropriate time limit for the casting of the votes. The Supervisory Board members do not have a right to object to stipulations made by the chairperson pursuant to this § 10.5.
- 10.6 Minutes of the meetings and resolutions of the Supervisory Board shall be recorded and shall be signed by the chairperson (if he/she is not available, by the deputy chairperson) and the secretary (*Schriftführer*). - 10.7 Declarations of legal significance by the Supervisory Board and its committees shall be made in the name of the Supervisory Board by the chairperson and, in case he/she is not available, by the deputy chairperson. The chairperson and, in case he/she is not available, the deputy chairperson is authorized to receive declarations on behalf of the Supervisory Board. Sec. 78 para. 2 sent. 2 of the German Stock Corporation Act remains unaffected.

§ 11

- 11.1 The duties and rights of the Supervisory Board are determined by law and by these articles of association. The Supervisory Board is competent to appoint the auditor following its election by the General Meeting.

- 11.2 The Supervisory Board shall regulate its function through rules of procedure which shall be in accordance with the law and these articles of association.

V. The General Meeting

§ 12

- 12.1 The General Meeting shall take place at the seat of the Company or at the seat of a German stock exchange.

The minimum period shall be extended by the days of the registration period set forth in § 12.3. The calculation of the notice period shall be subject to applicable law.
- 12.3 Shareholders are only eligible for participation and the exercising of their voting rights in the General Meeting who have registered with the Company prior to such meeting and who are registered in the share register for the shares notified. This registration must reach the Company at the address named in the invitation to the General Meeting for this purpose in text form (sec. 126b of the German Civil Code) in German or English at least six days prior to the General Meeting. The day of the General Meeting and the day of the receipt of the registration are not counted for this purpose.
- 12.4 The Management Board is authorized to partially or fully permit image and sound transmission of the General Meeting. It will inform of this with the convening of the General Meeting.
- 12.5 The Management Board is authorized to permit shareholders to participate in the General Meeting without their physical presence and without a proxy and to exercise some or all of their rights partially or fully by way of electronic communication. Should the Management Board use this authorization, it will specify the details of this procedure at the time of convening the General Meeting. Shareholders who participate in the General Meeting in accordance with sent. 1 are not allowed to file objections against resolutions of the General Meeting and/or to contest these.
- 12.6 The General Meeting is chaired by the chairperson of the Supervisory Board or another member of the Supervisory Board determined by the chairperson. In case the determined member of the Supervisory Board is not available to act as chairperson of the General Meeting, the members of the Supervisory Board attending the General Meeting shall elect a chairperson for the General Meeting. If the chairperson is not elected by way of the above procedure, he/she shall be elected by the General Meeting. In the cases of sent. 2 or sent. 3, also a non-member of the Supervisory Board may be elected.

12.7 The chairperson of the General Meeting chairs the General Meeting. He/She determines the sequence in which items on the agenda are dealt with, as well as the form and sequence of voting. The chairperson may determine the sequence of statements made and is authorized to limit the questioning and speaking rights of the shareholders regarding time spent in an adequate fashion. In particular, he/she is authorized, at the beginning or during the course of the General Meeting, to set a reasonable time limit for the entire General Meeting, for particular items on the agenda, or for any particular speaker.

§ 13

13.1 Each share entitles the holder to one vote in the General Meeting.

13.2 The vote may be cast through a proxy in accordance with applicable law provisions.

13.3 The Management Board is authorized to provide for shareholders to vote without physically participating in the General Meeting in written form or by way of electronic communication (postal vote). Should the Management Board use this authorization, it will specify the details of this procedure of the postal vote at the time of convening the General Meeting.

13.4 Resolutions of the General Meeting are passed by a simple majority of the votes cast, provided that statutory law or the articles of association do not require a larger majority. Unless mandatory statutory provisions provide otherwise, amendments to the Articles of Association require a majority of two thirds of the votes cast or, if at least half of the share capital is represented, a simple majority of the votes cast. Provided that statutory requirements stipulate a capital majority in addition to a majority of votes, the simple majority of the capital represented at the time of the adoption of the resolution suffices, unless statutory law provides otherwise. In case of a tie, a proposed resolution shall be deemed rejected.
